### The Cambodia 1<sup>st</sup> International Conference on Mentoring Educators

New Generation Pedagogical Research Center (NGPRC),

The Institute Technology of Cambodia, December 21-23, 2020, Phnom Penh, Cambodia

#### Organized and sponsored by:

(Version 7: October 10, 2020)

#### Third Announcement

##### Welcome to CICME\_2020!

We are proud to announce the 1<sup>st</sup> International Conference on Mentoring Educators in Cambodia, which will be held both at NGPRC and also as a simultaneous virtual conference. The purpose of the conference is to discuss various modalities and opportunities to mentor educators, and thereby help them develop their competencies. Researchers, teacher trainers, advisors and consultants from Asia and around the globe are invited to join us in Cambodia to share knowledge and experiences with our developing community. We also hope the conference might be the occasion to promote and initiate international cooperation among participants as this relates to mentoring.

The conference will be held in cooperation with the *Asian Society of Teachers for Research* and other professional societies in the region, and supported by the Ministry of Education, Youth and Sport (MOEYS), Cambodia with Kampuchea Action to Promote Education (KAPE). It is organized by New Generation Pedagogical Research Center (NGPRC), National Institute of Education (NIE) and sponsored by Singapore International Mathematics Contest Center (SIMCC, Singapore), Jeong Gong International Education and Culture (JGIEC, Korea), and other interested parties.

**The theme of CICME\_2020 is “Mentoring and Professional Development for Educators” and the objectives are as follows:**

1. To provide a forum for research findings from the international community;
2. To introduce new pathways to excellence in education through action and innovation;
3. To share best teaching practices and use research findings to solve school problems;
4. To share mentoring experiences and skills;
5. To establish partnership and collaborations between researchers across the globe;
6. To disseminate results of thesis/dissertation activities in tertiary education; and
7. To draw new perspectives in solving educational and organizational problems and issues.

This conference will be held in English; it will provide opportunities for participants to share and hear about various ideas, programs, research, and also discuss the challenges associated with mentoring educators, both online and in-person. It will thus provide a forum for the

participants to meet and exchange common interest, in both a formal and informal atmosphere. The theme of the conference includes, but is not limited to, the following topics:

- Principles and Systems of Mentoring
- Research and Mentoring, Research on Mentoring
- Mentoring in a Digital World
- Becoming an Effective Mentor
- Professional Ethics & Mentoring
- Research on Mentoring for Industrial Revolution 4.0
- Measuring Mentor Performance
- Best Practices in Mentoring
- Emerging Theories on Mentoring
- Research Reviews of the Literature (RRL) on Mentoring
- New Framework for Mentoring in an Asian Context
- Mentoring Across Borders
- Peer Mentoring/ Peer Tutoring
- Overview of mentoring systems in the world
- The mentoring system promoted by the *New Generation Pedagogical Research Center* (School-Based Mentors)
- Experiences in mentoring, a review of the first practicum of NGPRC
- Remote mentoring with the *Observic Platform*, a revolutionary mentoring software
- Mentoring vs. Inspection (School inspections in Singapore)
- Professional Learning Community Development (PLC)
- Crisis in teacher recruitment (Comparing the teacher vocation crisis in the West and in developing countries)
- Assessing mentoring systems
- Reforming the teacher training system in Cambodia and the Region
- Decentralized School Management Systems in Cambodia (e.g., New Generation School Reforms)
- Trying New Teaching Methods: Risk and Feedback
- Teacher training in the NGS network (PPP interactions between NGOs and the Ministry of Education, Youth and Sport)
- Policy Shifts Away from In-service Teacher Training to School-based Mentoring
- Alternative Approaches to Teacher Education (How can schools train their teachers when they don't follow the mainstream approaches?)

### **Submission of Contributed Talks/ Poster Presentation**

Participants are invited to present research projects, creative ideas, and skills development efforts that pertain to online and in-person Mentoring. Contributors are asked to submit a one-page (300-500 words) abstract by November 20, 2020. Contributors can select from several presentation formats.

- Two formats are available for presentations physically at NGPRC:
  - workshop (30 minutes)
  - paper presentation.
- Two formats are available for virtual, online presentations:
  - live Question/Answer Session (20 minutes) about pre-posted video (20 minute)
  - virtual workshop with online participation (30 minutes).

Instructions to submit videos and other supporting documents will be sent separately. Acceptance will be given by December 15, 2020, and the final program will be posted shortly after. Proposals must be in English, which is the language of the conference.
